## Dates for your diary

**20<sup>th</sup> & 21st May 2010 – May Thing**

What a great panto we had this year – definitely one of the best if not THE best! Cast, scenery, music, lighting, everything was just superb. Thank you everyone for making it such a great week and a big personal thank you for the lovely gift and cards that I received. I loved every minute of it and hope you all did too.

For those of you who are off to university and won't be in our next panto, I would just like to say thank you for all the wonderful memories and hope that you will take many memories with you. I know that you won't forget us and that you will eventually come back, even if only to watch!

Thanks to Mandy for organising the post-panto meal this year – it was well attended and a good venue (even if some of us got lost!!).

## MAY THING

Yes, it's that time of year again folks. For those of you who don't know, the May Thing this year is to be a celebration of the work of Rodgers and Hammerstein to commemorate the death, 50 years ago, of Oscar Hammerstein. We have started rehearsal, Tuesday and Friday 7:15 WI and anyone who hasn't been but still wants to be involved can still join in. We are doing songs from shows such as Oklahoma, Carousel to name but two.

Performance will be at North Cave Village Hall, 20<sup>th</sup> & 21<sup>st</sup> May 2010 at 7:15pm. The cost is £5 to include a light buffet supper. As usual, audience only need to bring a drink and a glass.

## CAVE PLAYERS AT SOUTH CAVE FAMILY DAY, CAVE CASTLE, EASTER MONDAY 2010

We were invited to have a promotional stand at South Cave Family Day which was held at Cave Castle on Easter Monday. Although the weather wasn't the best (well it was only just April!) a fair number of people attended the day and we got round most of them to let them all know about the May Thing and also to let them know who we are and what we do. Those members who were able to attend dressed in costume and we had various things for the public to do: a quiz, a treasure hunt, a treasure map, photos with Cinderella and the panto cow (yes we had one there and she went down a storm even chasing the master of ceremonies at one time!). Thanks to all members who helped out, a great, if cold day, was had by all.

## WEBSITE

Thanks to Malcolm we now have a website up and running. However, he can only put information on if you give him some. At the moment he is in need of some photos from our past productions, both May Things and Pantos. You can e-mail some to him if you have any on disc etc. If you have any news relating to Cave Players that you would like to put on the website just send it to him and if it is relevant he will put it on.

## NEXT PANTO

If no-one has any objections I would really like to do 'Bobby's Egyptian Adventure' again for the 2011 panto. This was last done in a rather unforgettable year for me, 2003, and I would very much like to do it again. I am currently looking at updating it slightly, so it should be ready in time for auditions in September; date and time to be decided at a future date.

### **A few Cinderella jokes for you to giggle over!**

Why was Cinderella such a poor football player?  
She had a pumpkin for a coach!

What's beautiful, grey and wears glass slippers?  
Cinderelephant!

What did Cinderella say to the chemist who lost her photographs?  
Some day my prints will come!

I wouldn't let that Cinderella play in my hockey team.  
Why not?  
She keeps running away from the ball.
